On April 23, 2015 the total number of Class A Shares outstanding (excluding shares held in treasury) was 263,337,209, with a total of 263,337,209 voting rights; and the total number of Class B Shares was 59,895,605, with a total of 598,956,050 voting rights. Each Class A share carries one vote; each Class B shares carries ten votes. The Class A Shares and Class B Shares will vote together as a single class on all matters at the AGM.

The persons who will be considered as entitled to vote and/or attend the AGM are those persons who on April 23, 2015, after processing of all settlements as of this date (the record date), have these rights and are registered as such in a register designated by the Board. The designated register for the Class A Shares is maintained by the Company's transfer agent and registrar, Computershare Trust Company N.A. The designated register for the Class B Shares is maintained by the Company.

If you would like to attend the AGM and your Class A shares are held by a broker, bank or other nominee, you must bring to the AGM a letter from the nominee confirming your beneficial ownership of such shares. In order to vote your shares at the AGM, you must obtain from the nominee a proxy issued in your name. You must also bring a form of personal identification.

Your vote is important regardless of the number of shares you own. Whether or not you expect to attend the AGM, we hope you will take the time to vote your shares. If you are a shareholder of record, you may vote your Class A shares over the Internet, by telephone or by completing and mailing the enclosed Power of Attorney / Proxy card in the envelope provided. If your shares are held in "street name", meaning they are held for your account by a broker or other nominee, you will receive instructions from the broker that you must follow for your shares to be voted.

Many brokers are subject to New York Stock Exchange ("NYSE") rules. The NYSE rules direct that, if you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instruction. If you do not give instructions to the broker, the broker will be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (those shares are treated as "broker non-votes"). The election of directors is not considered a discretionary item. This means that brokers who have not been furnished voting instructions from their clients will not be authorized to vote in their discretion for the election of directors. We urge you to provide voting instructions to your broker so that your votes may be counted.

Proposal 7 (amendment of Articles of Association) requires the affirmative vote of the holders of two-thirds of the votes cast on the matter. All other matters require the affirmative vote of the holders of an absolute majority of the votes cast. However, if less than 50% of the issued share capital is present or represented by proxy at the AGM, proposals 6 (cancellation of C shares) and 10 (exclusion of pre-emptive rights) will also require the affirmative vote of the holders of two-thirds of the votes cast on the matter. Under our Articles of Association, blank or invalid votes count towards establishing a quorum, but do not count for voting purposes.
